# Len + Judy

SEEING SOUTHERN | A BOUTIQUE WEDDING PHOTOGRAPHY STUDIO

“When our pictures came in, we were speechless. Every single picture was priceless. The perfect day came with all the precious moments we wanted photos to remember it by.

The turn around time was less than a week!

We were blown away.”

“To say that Judy and Len go above and beyond for their clients would be an understatement to say the least.

They treated us like family from the very beginning and we could not be more grateful. To any future brides or grooms, please, do not miss out on this amazing duo. I can guarantee you'll get two amazing artists to tell your love story, but even better, you might just make two lifelong friends along the way.”

“I truly felt like I won the lottery with Len and Judy. They take wonderful photos and bring magic with them. They truly care about their clients and try to help wherever they can.”

“We got our photos in record time. Once we were able to sit down and mull them over, we were so deeply touched by how our day was captured. It took us a while to even think about the photography itself, as our first reactions were to revel in the memories

evoked. That, to me, is expert photography - when it so deftly captures the moment that it triggers your mind's eye in a way that is moving and immersive. We loved every photo. Finally, our photo book. Wow!”
