

elopement photography details & add-ons

for Nantahala Weddings Elopement Package

Photography Included in Elopement Package:

- 1 Planning Session Phone Call (Address any questions, make recommendations, and note specific photo requests)
- 3 Hours of Photo Coverage (From getting ready at Fie Top Suite's Bridal Salon and the 'Cave' to your ceremony at Chapel in the Sky, which includes family shots and intimate portraits.)
- Deliverables: Around 125 edited photos delivered via online gallery within 4 weeks of elopement day

Add Ons (Bundled with Elopement Package):

First Look at Wayah Bald | \$250 Meet at Wayah Bald for a first look and portraits around the tower and stone terrace. Includes 30 minutes of coverage and around 25 edited photos.

Additional Photo Coverage | \$450/Hour of Photo Coverage Around 50/60 edited photos per hour. Extend coverage on your ceremony day, either around the Nantahala Weddings venue or at scenic spots such as Wayah Bald or Nantahala Cascades Waterfall

**travel time to scenic areas is part of photo coverage hours.*

Video *Starting July, 2024! | \$1200 Receive a 6-minute edited video capturing your elopement! Includes 3 hours of coverage with a second videographer present.

**Additional coverage time may be added on and with this, a longer final video. Please inquire if you'd like more coverage time added on for say, a first look at Wayah Bald or going to the Cascade Waterfall, and I'm happy to tailor a video package just for you.*

Day After Portrait Session | \$500 for 1 Hour or \$700 for 2 Hours Let me capture the day before or after your ceremony in a more intimate setting. Ask me about hidden gem locations or a spot you saw and fell in-love with! I am a local and an outdoor enthusiast, so I'm happy to make recommendations. This option includes a phone call for location and wardrobe advice.

Polaroids | \$70 (per set of 16 instant Polaroid photos)

Crystal USB | \$125 Crystal USB containing all edited photos inside a custom embossed linen box with your names on it (sent to you once photo editing is completed)

Drone | \$100 Document the scenic mountains with 6 edited drone photos and a 10-15 second video clip. Drone photos could be a cool nature print for your home of the Nantahala mountains!
