FLOORPLANS FOR FULL WEDDINGS

We've created SEVEN reception pavilion floorplans for you to choose from for full weddings, depending on the number of guests. You can always remove chairs. These plans show the max number of seats for each floorplan. All these floor plans are free of charge!

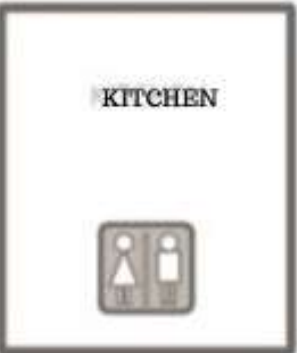

The RAIN PLAN for all these floorplans appears on the last page of this document.

Keep in mind: if you're using a floorplan that shows round plastic tables or 8-foot plastic banquet tables, you will need to rent or buy linens for those tables. Nantahala Weddings does not provide linens.
